17. (Unclassified - MMP) LIAISON Craig Fenno, in the office of Representative Barber Conable (R., N. Y.), called with a battery of questions about KGB activities and personnel in the United States. I told Fenno that the FBI was the appropriate agency to question about the number of KGB "agents" in the United States and the degree to which they may have increased subsequent to the establishment of detente. I explained the separation of CIA and FBI charters and jurisdictions. He thanked me and said that he would contact the FBI.

18. (Internal Use Only - MMP) LIAISON Called Col. 3. (Unclassified - ME) FOIA I called and spoke with Mr. Rob Lyon, of Senator Strom Thurmond's (R., S.C.) office, about the testimony of Mr. Blake, Acting DDCI, before the Subcommittee on Administrative Practice and Procedure, Senate Judiciary Committee, on 16 September 1977. In response to my queries, Mr. Lyon said the testimony has not yet been published, but it is planned for around 1 March (he suggested I call him back in mid-February to get exact time). I then asked whether he felt there would be any prohibition on the transcript being used in preparing, on behalf of the Government, an amicus curiae for use in the U.S. Court of Appeals in several FOIA cases. Mr. Lyon said that it was open testimony and he could see no objection to its use by either the Majority or Minority Members. He considers it citable in any form.

4. (Unclassified - DFM) LIAISON Received a call from Jean Evans, Senate Select Committee on Intelligence staff, who I had previously asked to check with the Senate Governmental Affairs Committee to test their reaction to our not complying with a GAO survey of Executive Branch auditing programs. Evans said he would not be able to contact the person he wanted to on the Committee, as he was out of town, but instead he had talked to Bill Miller, Staff Director, Senate Select Committee on Intelligence. Miller has suggested that this problem be handled by sending the paper to the Select Committee if there are security considerations and requesting them to handle it under S. Res. 400. Alternatively, we should meet with the Staff Director of the Subcommittee on Reports, Accounting and Management, which requested GAO to do the survey, and explain our problem to him. Evans informed me the Staff Director of the Subcommittee was Vic Reinemer.
